Personal

Personal skills:

- Competent
- Initiative
- Self-confident
- Collaborative
- Goal oriented
- Adaptive
- Experienced and ability to work with multinationals i.e. Turkish, American, European, Chinese, Arabs (Libya-Algeria-Saudi Arabia-Yemen-Egypt nationals), Pakistani, Indian as well as Africans

Contract supervision:

- Bidding
- Negotiation
- Contracting
- Commitment
- Addendum
- Claim and administration
- Scheduling (project planning)
- Progress and payment certification

Management skills:

- Business Development, Project Development and Management
- Engineering, Consultancy and Supervision
- QA/QC and HSE policy
- Primavera-PMI certified
- USACE Contracts-QC certified
- FIDIC Contracts
- TURKISH-EUROPEAN and CHINESE Codes
- Technical recruitment, Setting-up site teams and Monitoring

Construction supervision:

- Reinforced concrete and steel structures
- Pre-cast elements and pre-stressed girders
- Earthworks-cuts and fills
- Dewatering and drainage
- Soil-slope treatment and shoring
- Piling
- Tunneling
- Landscaping
- Road pavements
- Plants-crusher, sand screening, concrete batching,
- Mechanic base courses
- Residential and commercial units
- Site mobilization
- Architectural finishes

Interests:

- Engineering researches
- Science-innovation
- Alternative energy resources
- Nature-proper land use, habitation and cultivation
- Civilization-archaeology, photograph, fine arts
- Social responsibility projects

Languages:

- Turkish (native)
- English (fluent)
- French (basic reading and simple speech)
- Arabic, Chinese, Wolof (simple speech)

Education:

- 2000 Master Ms.D. : CUKUROVA University-Department of Civil Engineering-Construction Management (standby)-Adana
- 1986 Licence B.Sc. : METU-Middle East Technical University-Department of Civil Engineering-Ankara
- 1980 High School : Izmir Esrefpaşa Lisesi
